

#SaferInternet4EU Awards competition: Overview of fields to be completed

Please note, this document is for information purposes only to let potential participants see the fields which they will need to populate in order to submit an application to the #SaferInternet4EU Awards competition.

Only applications submitted through the online form at www.betterinternetforkids.eu/web/portal/saferinternet4eu/awards before the extended closing date of midnight CEST on Friday, 25 May 2018 will be accepted.

An * beside the fields below denotes that it is mandatory.

You are about to submit an application for the #SaferInternet4EU Awards competition.

By completing and submitting this form, you confirm that you have read and agree with the competition rules and conditions published on the Better Internet for Kids (BIK) portal.

The competition opened for entries on 1 March 2018 and will close on 25 May 2018 at midnight CEST. Any applications received after the deadline will not be eligible.

1. Please select the best practice category for which you want to apply:

Organisations
Teachers
Youth

Depending on the category selected, participants will complete one of the following sections.

For organisations:

You are now starting your application for the #SaferInternet4EU Awards “organisations” category. This best practice category should highlight a high-quality and innovative online safety education or awareness-raising resource or initiative developed by an organisation, targeting youth, teachers or parents.

*1. Name and description of the organisation in the context of which the best practice was developed

*2. Country of organisation

3. Organisational social media handles (if applicable)

Twitter

Facebook

Other

*4. Contact name within the organisation

*5. Contact email address

*6. Phone number

*7. Best practice summary (min 300 words)

*8. What do you consider to be unique or success elements of this best practice? (min 200 words)

*9. Best practice URL

(Note: if your best practice is only available in an offline format, please provide a URL where its full description and features are represented. This could include screenshots or images.)

10. Any other comments or information you wish to add

11. If you have completed this form nominating an organisation (of which you are not part of), please provide your contact information in the fields below:

Full name

Email address

Organisation

For teachers:

You are now starting your application for the #SaferInternet4EU Awards “teachers” category. The best practice for teachers should envisage a remarkable and innovative online safety education or awareness-raising resource or initiative, developed by one or a group of teachers. It could target youth, teachers or parents.

*1. Name of teacher (or teachers) who developed the best practice

*2. Country of best practice

*3. School

4. Social media handles (if applicable)

Twitter

Facebook

Other

*5. Contact email address

*6. Phone number

*7. Best practice summary (min 300 words)

*8. What do you consider to be unique or success elements of this best practice? (min 200 words)

*9. Best practice URL

(Note: if your best practice is only available in an offline format, please provide a URL where its full description and features are represented. This could include screenshots or images.)

10. Any other comments or information you wish to add

11. If you have completed this form nominating a teacher, please provide your contact information in the fields below:

Full name

Email address

Organisation/School

For youth:

You are now starting your application for the #SaferInternet4EU Award “youth” category. The best practice for youth should envisage a remarkable and inspiring online safety education or awareness-raising resource or initiative, developed by youth (representatives). It could target youth, teachers or parents.

Applicants in this category should be aged between 13 and 19 years old.

*1. Name of young person (or young people) who developed the best practice

*2. What is the age of the young person (or age range of young people in the case of group applications)?

*3. Country of best practice

*4. School

5. Social media handles (if applicable)

Twitter

Facebook

Other

*6. Contact email address

*7. Phone number

*8. Best practice summary (min 300 words)

*9. What do you consider to be unique or success elements of this best practice? (min 200 words)

*10. Best practice URL

(Note: if your best practice is only available in an offline format, please provide a URL where its full description and features are represented. This could include screenshots or images.)

11. Any other comments or information you wish to add

12. If you have completed this form nominating a youth representative, please provide your contact information in the fields below:
